Entry Adopting Report and Recommendation

On January 29, 2021, the Magistrate Judge issued his Report and Recommendation, recommending that Defendants' Motion to Dismiss (ECF No. 22) be granted and this case be dismissed with prejudice as a sanction for Plaintiff's failure to comply with his discovery obligations. The Magistrate Judge advised the parties that any objections to the Report and Recommendation were to be filed in accordance with 28 U.S.C. §636(b)(1) and Fed. R. Civ. P. 72(b) and that the failure to timely file objections within 14 days would constitute a waiver of subsequent review. The time for filing any objections has come and gone. Plaintiff has not filed any objection to the Report and Recommendation. Regardless, the Court, having considered the Report and Recommendation, finds that it is the appropriate

disposition and therefore it is **accepted and adopted**. Defendant's Motion to Dismiss (ECF No. 22) is **granted**.

SO ORDERED.
